

Implementation & Support Consultant

IN SEARCH OF A “CREATIVE ACCOUNTANT”

We are looking for accounting professionals who are interested in more than just traditional accounting roles (public accounting, auditing, “tick and bop”, etc.). Our consultants combine their accounting and business process knowledge, solid computer skills, and passion for people to provide the best consulting services in our industry.

Our consultants love working at Caron because they:

- ✓ Work with intelligent, dynamic people
- ✓ Apply their accounting knowledge by implementing custom accounting and business solutions
- ✓ Gain valuable technical knowledge to complement their existing accounting knowledge
- ✓ Have an excellent and exciting career path
- ✓ Take part in an innovative and progressive compensation structure
- ✓ Enjoy a continually evolving work environment – free from monotony
- ✓ Are NOT consistently stuck behind a desk

We’re looking for people who:

- ✓ Currently have or are in the process of earning their CPA designation
- ✓ Have an aptitude and passion for implementing software and supporting users
- ✓ Have superior communication skills, oral and written
- ✓ Are self-managing and motivated
- ✓ Possess strong organizational, analytical, and problem-solving skills
- ✓ Have experience in a public practice accounting or professional services firm

Key Responsibilities Include:

- Working with senior level consultants to design, implement, and support Sage accounting software
- Actively participating on implementation teams and communicating with team members
- Coaching and training client management, finance, and other staff members
- Conducting thorough requirements reviews and business process reviews
- Discovering and documenting requirements for custom reports and programs
- Creating custom reports

Desired Skills and Expertise

Skills:

- Excellent written and verbal communication skills
- Excellent listening, analytical and problem-solving skills
- Strong organizational and time management skills
- Detail oriented with the ability to see the larger picture

Expertise:

- Preferred experience with Sage 300 software
- Excellent knowledge of accounting and business processes; holding or currently earning an accounting designation

A vehicle is required for this position. Our main office is located in Burnaby, BC but our clients are located throughout the Lower Mainland.

Company Description

At Caron, we do what we do because it is vitally important to the success of our clients. We provide our products and services because they help our clients to succeed in their plans, achieve their goals and realize their dreams.

Caron is a leading provider of accounting, CRM and HRMS software solutions for small to mid-sized enterprises. We have been implementing complex and complete solutions for over 18 years. We have developed an in-depth knowledge of Sage solutions through implementation, training, customization and creation of customer-specific add-ons and modules.

Our implementation teams include Certified Accountants, former CFOs, CIOs and corporate controllers who are passionate about professional customer service and who thrive in a dynamic and challenging environment.

At Caron we're constantly asking "How can we be the best?" The answer we keep hearing is - "hire the right people." If you're the right person for Caron, you approach your work with passion. You understand the value of the services we provide and you think, speak and act like a true professional. If this is you, tell us how you can add to the talented team at Caron.

Here's what our employees say about working here:

"At Caron you are much more than just another employee. You are a critical part of the success of the organization. Everyone contributes and it creates a collaborative, dynamic working environment. With ever changing projects for clients in many different industries it provides an always evolving work environment. This allows you to enhance your own professional skills in ways you normally could not in a more static, traditional organization."

"Caron is a unique place to work. Decades of implementation knowledge and experience combined with even deeper development resources make the firm the first choice for companies considering Sage solutions. Our professional image is balanced with a strong family-like bond among the team that makes Caron the first choice among Sage business partners for employees as well."

"Working at Caron provides me with endless opportunities to learn and grow, both professionally and intellectually. Everyone works hard to get the job done as a team and we even get to laugh a lot along the way."

"Working at Caron is fun, challenging and exciting. Every day I have the opportunity to work with experienced and talented people across many industries in a working environment that emphasizes teamwork and collaboration."

"At Caron, the job is always interesting since we work with great clients from many different industries."

"Caron is made up of a strong, productive team, good people, and a friendly atmosphere. We get the opportunity to work with great clients from a wide range of industries."
